

**Jerusalem UFO and Rider on a White Horse in Cairo
are signs of Maitreya, the World Teacher**

Two miraculous phenomena have recently been seen by millions worldwide on television and the internet: a glowing UFO hovering over Jerusalem's Temple Mount, and an ethereal figure in white riding a white horse through the crowds gathered in Tahrir Square in Cairo, Egypt, captured on video.

The UFO was filmed by at least three different witnesses. *The Sydney Morning Herald* reported: "Perhaps more intriguing is the fact it was shot from various angles that all seem to be in sync, particularly at the moment when the object flies upwards at high speed." UK's Channel 4 News noted that the videos appear to show "the exact same ball of light" and that "the mystery deepens as flying is forbidden above the sacred site, so the light cannot come from a plane".

What do these phenomena mean? Who is creating them? What is their significance at this time of crisis and change?

According to Benjamin Creme, artist, author and lecturer, these are two of many signs or miracles which herald the emergence into public life of Maitreya, the World Teacher.

On 14 January 2010 Benjamin Creme announced that Maitreya had, for the first time, appeared (incognito) on television. Since then he has appeared 29 times in the USA, and more interviews are expected soon in the Americas, Japan, Europe and the rest of the world.

According to Benjamin Creme's Master, the UFO in Jerusalem was one of the four 'stars' seen around the world since December 2008 that herald Maitreya's open emergence. He also confirms that the Rider on the White Horse was a blessing from Maitreya to show the immensity of what the Egyptian people are doing, and that he is with them in their struggle for justice and freedom. Maitreya has often appeared as the Rider on a White Horse – an age-old symbol for a teacher to come. Many now expect the return of their awaited Teacher, whether they call him the Christ, Messiah, the fifth Buddha, Krishna, Kalki Avatar or the Imam Mahdi.

Background Information

For over 35 years artist, author, and lecturer Benjamin Creme has been preparing the way for the biggest event in history – the emergence of Maitreya the World Teacher and His group. Millions of people around the world have heard his information and wait expectantly for this momentous event.

Since 19 July 1977 Maitreya has been living in the Asian community of London, gradually emerging before the public. Long awaited by all faiths under different names, Maitreya is the World Teacher for all people, religious or not. Many now expect the return of their awaited Teacher, whether they call him the Christ, Messiah, the fifth Buddha, Krishna, or the Imam Mahdi.

Maitreya has not come alone, but with a group of wise Teachers who have long guided humanity from behind the scenes. They are returning to the everyday world to help us solve our most critical global problems. Maitreya is not a religious leader, but an educator in the broadest sense. He can only guide; we have to act to save our world. He is here to inspire us to create a new age based on sharing and justice, freedom and peace, so that all may have the basic necessities of life: food, shelter, healthcare, and education, in a world free from want and war.

As a modern man concerned with today's problems, Maitreya works behind the scenes of our changing world. The outpouring of His extraordinary energy has been the stimulus for dramatic developments on many fronts: the ending of the cold war; the break-up of the Soviet Union; the unification of Germany; the ending of apartheid in South Africa; the growing power of the people's voice, leading to demands for freedom and justice; and the worldwide focus on preserving the environment.

Maitreya's 'roving ambassador' Benjamin Creme travels the world spreading his message of hope and creating a climate of expectancy for Maitreya's emergence. Trained and supervised over many years by his own Master, with whom he is in constant telepathic contact, Benjamin Creme has access to up-to-date information on Maitreya's emergence, giving him the total conviction needed to present this story to a sceptical world. Creme regularly lectures worldwide, and appears on television and radio – in the USA alone he has been interviewed on more than 700 radio and television shows. He is author of 13 books – translated into 11 languages – and is editor of *Share International* magazine which circulates in 70 countries. He receives no money for any of this work.

In December 2008 Benjamin Creme announced that in the very near future a large, bright star would appear in the sky visible throughout the world, night and day, heralding the imminent appearance of Maitreya in His first interview on a major US television programme.

Within weeks reports from all over the world of an unusually bright star, often moving and changing colour, began to appear in the media and on YouTube. On 14 January 2010 Benjamin Creme announced that Maitreya had given His first interview, on American television, and that millions had heard Him speak both on television and the internet.

Benjamin Creme explained: "He was introduced not as Maitreya, the World Teacher and Head of our Spiritual Hierarchy, but simply as a man, one of us. In this way He 'ensures that men follow and support Him for the truth and sanity of His ideas rather than for His status'. He spoke earnestly of the need for peace, achievable only through the creation of justice and the sharing of the world's resources."

Maitreya has now given a series of 31 television interviews, and more are expected to take place in the Americas, Japan, Europe and the rest of the world.

His open mission in the world has begun.
